

## Authorization and Release

I, the undersigned, know that snowboarding is an action sport, carrying significant risk of personal injury. Snowboarding, practicing for snowboarding, and all of the activities taking place in order to prepare for snowboarding are dangerous and physically demanding activities. I know that there are natural and man-made obstacles or hazards. Surface and environment conditions, along with risks, may cause serious injury. I, the undersigned, accept the inherent dangers of physical participation in such activities. I agree that I (and not Trollhaugen Winter Recreation Area, it's staff, or volunteers) am totally responsible for my safety while I participate in these activities.
