GO To The TROLL!

MISSION: To prepare intermediate to advanced ski and snowboarding youth for more difficult terrain.

Who: For the skier / snowboarder who slides green and easy blue runs, but wants to explore the whole mountain.

What: Grow your skiing / riding skills to carve up the hills, ride the steeps, jump over bumps and rolls, gain confidence in your riding, and have fun wherever you ski / ride.

Why: Learn to ski / ride all the hills and make the whole mountain a playground.

How: An Explorer Corps coach leads students ages 7-17 across a variety of terrain during full or half sessions each week. Coaches enhance skill and comfort level using the latest techniques from the PSIA and AASI, exploring every inch of Trollhaugen's slopes, and beyond.
